

# PIPE STRESS ANALYSIS OF LNG PIPELINES

## Stress Analysis

### Client Industry

### Oil and Gas

### Location

### No. of Hours

**1300**

### Tools Used

CAESAR II®

## Client Profile

G.

## Project Scope

- Analysis of reciprocating Compressor line & Pump line
- Analysis of flare lines
- Analysis & proposing modifications based on using existing pipe support.

## Team Details

Project lead : 15 yrs  
 Senior Stress Engineer : 10 Yrs.  
 Junior Stress Engineer : 5 Yrs.  
 Junior Stress Engineer : 5 Yrs
